

Pencil paths

Trace each dotted path from the start circle to the star.

Name: _____

Date: _____

Take your time. It is okay if your line wiggles along the way.

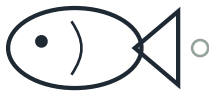

Who goes together?

Draw a line from each animal to its matching friend.

Name: _____

Date: _____

ANIMALS

MATCH

Look closely at the shapes, tails, ears, and wings.

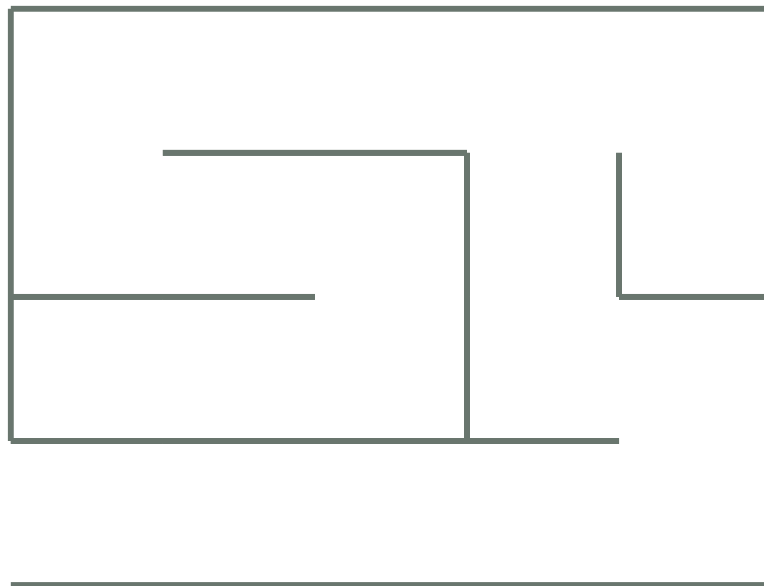

Bunny's little maze

Can you help Bunny find the carrot? Follow a path through the maze.

Name: _____

Date: _____

START

FINISH

One step at a time. If you reach a dead end, try another way.

Count and circle

Count each group, then circle the number that matches.

Name: _____

Date: _____
